Why not include an order for a few of our seeds. Our seeds are producing world champion show winners for us and our customers. Why not try for one of these yourself. The past season's big winners for us at the A.D.S. show at New York were Col. A. G. RUDD, JUDY G., WINGS and were all from our seeds.

GREETINGS

To our many old and new friends, We take the pleasure in presenting this list for 1942, and we wish to thank our many friends and customers for the patronage with which you have favored us in the past. We wish you the greatest of success with your garden and in the shows of 1943.

Our 1942 introductions were great winners for our customers in the show rooms from coast to coast. At the New York show many a first prize and specials were won with our introductions, as well as the largest perfect bloom. You too can win with our dahlias. Our new introductions are better than ever before. This was proved at the New York A.D.S. show as well as the many other shows.

Our stock is well grown and under the inspection of the Ohio State and U.S. Federal inspection at all times.

We are limited on some stock and ask that you place your order early that you may be sure of getting all the varieties you wish.
